Eric P. Newman Numismatic Education Society Invites Applications for Newman Grants

The Eric P. Newman Numismatic Education Society (EPNNES) announces the opening of the application period for the 2023 Newman Grant program. Newman Grants are designed to financially assist numismatic authors and organizations pursuing original research in American numismatics. This program was launched in 2019 and supports research projects related to colonial numismatics, U.S. federal coinage, counterfeit detection, and other areas.

Authors, researchers, and numismatic organizations are encouraged to apply for amounts between \$1,000 and \$5,000. Awards may be applied toward related research costs including but not limited to photography, reproduction of research material and graphic art services, database access fees, and travel. Electronic publications will be preferred as EPNNES wishes to direct funds toward expenses specifically related to numismatic research, rather than the print publication of research. Newman Grant awardees agree to non-exclusive publication of their research on the Newman Numismatic Portal (NewmanPortal.org). EPNNES intends to make approximately half a dozen grants in 2023.

The Newman Grant program is administered for EPNNES by the Newman Numismatic Portal (NNP). Applications may be found on the Newman Numismatic Portal at <https://nnp.wustl.edu/library/archivedetail/530553?Year=2023> and should be submitted to NNPCurator@wustl.edu. The application deadline is April 15, 2023, with the grant awards to be announced on May 25, 2023, coincident with the late Eric P. Newman's birthday.

It is the hope of EPNNES that this program will continue the legacy of Eric P. Newman in a way that would reflect his high standards for numismatic research.
